

1. What to do if a member of the community presents with symptoms	Preventing the spread and dealing with the potential consequences of a case	All children, staff and families	Please see the updated information (as of 2 nd September 2020) on our website www.anthonyroperpreschool.co.uk "What to do if a member of the community presents with symptoms".
2. Wearing of face coverings	Preventing the spread of COVID-19	All children, staff and families	In line with a request from Anthony Roper Primary School, all adults must wear face coverings on the Primary School grounds. Adults attending meetings at the Pre-school will similarly be requested to wear face coverings and so will members of our team.
3. External visitors to the setting – professionals associated with education or support	Preventing the spread of COVID-19	All children, staff and families	To enable for support from agencies external to the setting to attend, in the best interests of an individual child, specific risk assessments will be put in place as required by both parties.
4. Shared care with other childcare settings	Preventing the spread of COVID-19	All children, staff and families	In light of the fact that families are mixing within other social settings, we have reviewed our policy on not allowing children to attend who also attend another childcare setting, as of January 2021. This may be reviewed again, as appropriate.
5. Second lockdown from Thursday 5th November 2020	Preventing the spread of COVID-19	All children, staff and families	As per the updated Government Guidance of "New National Restrictions from 5 th November 2020" (available at https://www.gov.uk/guidance/new-national-restrictions-from-5-november), the Pre-school will remain open to all children and families with the current risk assessment remaining valid.
6. Shared care with other settings	Preventing the spread of COVID-19	All children, staff and families	As many families and children are mixing within the wider community, we have reviewed our policy of children only attending our setting as of January 2021, to allow shared care between childcare settings once more.
